Dear Students and Parents

It has been wonderful watching all of my students improve their skills and grow in confidence.

We held a successful launch of our Little Dragons classes. The Black Belt Candidate Testing Run went well and I am looking forward to seeing more students being promoted to Black Belt.

Spooky Sparring!

Dress up in something you can spar in for our Spooky Sparring Classes on Oct 28 & 29!

Enthusiastic Little Dragons chased, jumped and rolled their way through the launch event which proved to be fun for instructors and students alike.

My vision is to have a family friendly environment using exemplary teaching methods that encourage children to participate and learn. Children aged between 3 and 5 years old were invited to attend the event.

Classes are specifically structured for younger children to learn the basics of martial arts. Skills such as balance, coordination and spatial awareness are emphasized.

Don't miss our free Halloween themed class on Saturday, October 29!

Our demo team outing is scheduled for Saturday, October 29.

Master Saidi's Message

The third quarter of the year has come to an end and we have had a productive period of training.

Our last quarter for the year includes our annual Super Seminar with the Grandmaster In Hyuk Suh and all students are encouraged to attend.

The last promotion for the year will be in November.

Starting in October, Black Belt Club and Black Brown Belt training will take place on the first Saturday of every month.

We will have two Demo Team Training sessions every month on the first and third Saturday.

Inclusion in the Demo Team is a mark of recognition of those students who display respect, good etiquette, excellent skill, high energy and commitment to their training. Places on the Demo Team are limited and by invitation only.

Keep training!

Sincerely

Master Saidi
